A collaborative approach to experiential learning across the province

## What is EmployerRegistry.ca?

EmployerRegistry.ca is Ontario's free online community connecting employers and tomorrow's workforce. Using cutting-edge web technology, EmployerRegistry.ca makes it incredibly easy for employers to register their information and post experiential learning opportunities. For businesses and other organizations, offering experiential learning opportunities is just a mouse click away - anywhere in Ontario.

### Growing Database of Thousands of Opportunities

EmployerRegistry.ca contains a province-wide listing of thousands of experiential learning opportunities. New organizations are added to the system every day, making for a constantly growing database of information. The opportunities posted range from the short-term to the long-term, providing resources for all types of educators.

### Passport to Prosperity - Your Community Connection

EmployerRegistry.ca is administrated locally by your Passport to Prosperity coordinator. Your coordinator activates new employers on to the system and is there to be a local advocate for experiential learning, helping educators recruit new employers and encouraging previously-involved organizations to reconnect.

### Optimized for Specialist High Skills Major programs

A Specialist High Skills Major is an innovative specialized learning program that allows high school students to focus on specific career sectors as part of their learning plan. EmployerRegistry.ca is designed to get employers directly involved in these programs, providing experiential learning options that make a difference.
